

Easter Cake Sale - Friday 31st March

We are shaking things up for an Easter themed tuck shop. Join us and enjoy some delicious easter bakes and cakes!!

We would like to invite children (with a little help from their parents) to make, bake, or choose some delicious easter goodies. Homemade or shop bought is fine. There will be raffle ticket for each entry and a winner will be picked at random in each class. The winner will receive a chocolate easter egg. (Free from options will be available if required.)

Please bring your cakes and bakes to school on Friday 31st March and hand them to your class teacher.

Cakes will then be on sale in the playground at pick up. (Individual cakes/ portions are preferred.)

If your cake is allergen friendly, for example Dairy free please label it so that all children can find a treat to enjoy. All cakes absolutely must be NUT FREE! Shop bought cakes should be in the original packaging so we can see the ingredients.

If you would like your tin or box returned please label both the box and the lid.

We look forward to enjoying your yummy treats!

Many thanks Natalie, On behalf of the PSA
