

Hol! Hol! Hol!

It's Christmas in September...

Our Christmas card project is back!

Once again the PSA is organising the very popular Christmas card scheme. The scheme allows each child to design a piece of Christmas artwork, which can then be turned into professionally printed Christmas cards, gift tags and many other gifts.

The children will complete their artwork in school, once these have been submitted you will receive a proof card so that you can see your child's design. The proof cards will also have all the details of how to order.

In order for us to send off your child's artwork we need your permission. Please fill out the following Google form no later than Sunday 14th September

<https://forms.gle/VV5egLPDvNjg4aa5A>

Giving your permission for your child's artwork to be submitted does not mean that you are obliged to order.

Thank you for your support with our first project of the new academic year.
