

# Pumpkin Decorating

## Competition

We are excited to offer a new activity this autumn!

Each pumpkin kit is £4.50 and comes with a pumpkin, 2 paints and a brush to get you started. Then the children can use their creativity and imagination to add anything from their own craft supplies!

Once your pumpkin is decorated, email us a photo and the winners will be announced in assembly after half term. We will have one winner and one runner up for each year group with some fun prizes!

There is no restriction on the number of orders per child, but the pumpkins are made to order so we won't be able to accept late orders!!

To order, please use the Google form below
