

SUNFLOWER COMPETITION 2022

We are delighted to announce the return of the incredibly popular Hursthead sunflower growing competition! Who will be crowned Champion Hursthead Infant School Sunflower Grower 2022?

It is time to use your green fingers to see who can grow the tallest sunflowers. Last year saw a record breaking giant sunflower reaching 3.6m! There will be prizes and certificates for the tallest sunflower as well as the best entry in each class.

For £2.50 you will receive a packet of seeds, growing instructions (it's really simple, requiring very little expertise or equipment), as well as details on how to share your sunflower pictures for judging.

To join in, please fill in the google form by **FRIDAY 25TH MARCH** and your seeds will be sent home via book bags before the end of term.

<https://forms.gle/yPj1K3vvUdSSAsEf9>

When you have completed the form, remember to make payment directly (bank details can be found at the bottom of this letter) using payment reference: **SC [CLASS NUMBER] [CHILD'S SURNAME]**

The winners will be announced in September but don't worry if you are moving to Juniors - you will still get your prize, if you win.

We really hope that you will join in. It will brighten up your garden, create a source of food for the bees and help raise funds for the PSA. Friends and family are welcome to join in so why not buy an extra packet or two and have your own mini competition?

Laura Scott
On behalf of the PSA
