23 May 2022

Dear Parents

## Year 1 visit to Avro Heritage Museum

On Tuesday 21 June Year 1 will be visiting AVRO Heritage Museum in Woodford as part of our topic on journeys. We will be learning about significant historical events in our locality including the history of A V Roe, who was a pioneer in the field of private and commercial flight.

Classes will be visiting at different times during the day and the children will be provided with a packed lunch which they will eat in school on their return from the visit.

A subsidised voluntary contribution of £8-00 is requested to cover the cost of transport and entry to the museum. We wish to make it clear that no child will be denied participation in the visit because no contribution has been made. Should, however, the cost of the visit not be covered, it may be necessary to cancel the venture as the school has limited resources for visits of this kind.

We would very much welcome volunteers to accompany us on this visit. Avro Heritage Museum needs the class to be split into 6 groups, each accompanied by an adult, for the visit to take place. Should there be fewer than 5 parent volunteers per class, we regret that the activity will have to be cancelled for that particular class.

To provide your consent, make payment and also volunteer if you are able, please go to the School Spider app, under payment area and select the relevant options. If you are not already using the School Spider app, please download the app, select school, click parent dashboard go to 'create account' and enter your email address which is already held by school.

We are aware if using an iphone sometimes you are unable to click on the options in the App. If this is the case, please try a different device – tablet or PC. Please contact the office if you are experiencing any issues.

We would be very grateful if you would complete the information and payment on School Spider by Friday 10 June.

Yours sincerely

Year One Teachers
