

Christmas Bauble Competition

We will be decorating the school for the Christmas fair. If you would like to create your own bauble decoration we would love to showcase it. This is your template; please create your masterpiece and send it back to school in your book bag by **Wednesday 23rd November**. Please cut it out and make sure you write your name and class on the back so that we know who you are.

One winner from each class will be chosen - it could be you!
